UNIVERSAL CITY CONVENT

ROBOTIC LEARNING FOR YOUNG MINDS!

/// ADMISSION PROSPECTUS ///

ABOUT US

Universal City Convent is a co-educational school supported by an N.G.O. body and we are government recognized educational institute. We want to improve quality education in surrounding area. The schools believe in steady and continuous progress, with never-ending modernization and increased facilities and infrastructure. Our great emphasis is laid on cultural exposure, which is unencompassed by regular performance by renowned personalities. We are with the aim to enhance the creativity and skills of the children for their future. We are group of Institution in Lucknow and Spreading more branches in other parts of city.

WELCOME TO UNIVERSAL CITY CONVENT

You are in the process of making exciting decisions about your child and its future. The decisions you make will not only affect few years, but will also shape what you go on to do in the future. We will provide you with a great deal of support and guidance throughout your child's education. Whether you are a prospective student, parent, a benefactor, friend or a local citizen checking into see what is happening here at Universal City Convent campus, we welcome you at this place which will lead you to satisfaction level in an educational environment. The members of our teaching faculty are the best that can be found in the area in terms of their dedication and commitments to the students. As you saw this website, please remember that your experience will be very different when you visit us in personally. We are grateful to the parents who extended their faith and support to the school in achieving its goal. We welcome all prospective students and parents to the Family of UCC.

MISSION

Our mission is to prepare our kids to meet the challenges of a dynamic and changing world. On this ethos rest the pillars of our foundation. Our Mission statement therefore holds true when we say that: "We aspire to walk our learners down the road which leads them to develop, thirst for knowledge such that its discovery leads to the enrichment of life. For them as individuals and the community at large" The school is emphasizing on shaping and nurturing student's personality & a holistic manner through: Child centered approach to education individuals and exemplary behavior activity based teaching and learning exhibitors of social and environmental goodwill, logical and rational thinkers.

At Universal City Convent we believe in developing a new concept for the upcoming horizon of education and competition, we have a new approach of developing education in the format of training and skill development programs. At Universal City Convent we believe in the concept of **FROM CLASSROOM TO THE COCKPIT, from the computer lab to the space Station, from THE GROUND TO THE STADIUM.**

A new era with **Robotics** and **ARTIFICIAL INTELLIGENCE** has given us automatic change in the concept of education and workplace taking this in mind we have started a special **Robotics Lab** with all international level and word class facilities. To a dog Robotics lab we have been certified by different organisations and development authorities. Our lab at school is modern, 800 square feet with best infrastructure and all equipment required for nurturing the best kind of robotic education in a school we are the first in this in Sarojini Nagar to be equipped with the concept of a **CREATIVITY STUDIO** where children can go and do beyond education.

ABOUT US

UMAKANT CHAUDHARY
DIRECTOR

DIRECTOR'S MESSAGE

Universal city convent is a dream school! It is trying to translate a dream and a ideal into reality. This institution has carefully trudged up the road of achievements consistently striving for betterment and has carved a niche for itself in the education fraternity. Our aim is to ensure that every student has a pleasant, rich and personalized earning experience during all these vital years of education wish it well for the future and hope to see this institution and members reach the pinnacle of their success.

PANKAJ SINGH
PRINCIPAL

PRINCIPAL MESSAGE

Universal city convent has set a high standards in academics and we are proud of it all round. We at UCC not only concentrate on studies but also try to inculcate and are thankful to God Almighty we are aiming at much more to achieve "totally of manners, conduct and good habits. Our motto is to provide quality education. If we have set up good infrastructures, laboratories, rich library, Computer labs and an environment that is conducive to individual growth. We at UCC believe that each child is unique in his or her own learning ability and interest and we are committed to stimulate and develop these abilities to their highest potential. While respecting traditional we believe that progressive ideas and global outlook will grow the students to lead and change the world.

NEW AMENITIES

- CREATIVITY STUDIO
- ROBOTIC LAB
- INDOOR PLAY AREA
- COMPUTER LAB
- MATH LAB
- STEM LAB

FEATURES

- MODULAR CONTENT
- HANDS-ON LEARNING
- QUIZ
- ASSIGNMENT & QUIZZES
- TEACHING RESOURCE

CERTIFICATIONS OF ROBOTICS

EDUCATIONAL PLAN

- Lab Setup Area Approx 4000 Sq.Ft.
- Practical Training & Curriculum Inclusion
- Annual Innovation & Skill Development
- Doubt Session & Competitive Assessment

WHY ROBOTICS ?

Universal City Convent Future School.2 provide the perfect ecosystem & platform for students to develop the necessary technical knowledge to become future-ready. The platform is designed to help students gain an in-depth understanding of Coding, Artificial Intelligence, and Robotics through hands-on experiments & learning by doing approach. With the help of our cutting-edge technology, students can explore, experiment, and build projects of their own, all while developing their critical thinking and problem-solving skills.

WHAT IS UNIVERSAL CITY CONVENT FUTURE SCHOOL.2 OFFER IN ROBOTICS

- Problem Solving
- Critical Thinking
- Creativity & Innovation
